Students must be in good standing to receive this award. Tuition scholarships may be combined with other discounts or benefits at the discretion of the Tuition Scholarship Committee.

ACS has arranged for **FACTS Grant & Aid Assessment** to provide an external tuition scholarship application service for ACS families. FACTS Grant and Aid Assessment will conduct fair and completely confidential need assessments. Their system features a secure, easy-to-complete online application. See the application steps below:

- Each family must set up a FACTS account, complete the application, including a $30 application fee and provide any necessary supporting documentation.
- After assessments are made by FACTS Grant & Aid Assessment and submitted to ACS, the ACS Tuition Scholarship Committee will meet and make the final decisions and notifications on awards.
